Descripción de la propiedad

Beautiful Farm for sale with fertile soils and natural springs. The farm has an area of 195.7853 hectares, located in the San Andrés Sector, Bugaba District, about 2.2 km from the main paved road leading from San Andrés to San Francisco. Access has recently been improved through a road project executed by the Ministry of Public Works (MOP). The farm has a water concession registered with the Ministry of the Environment. The farm includes extensive pastures, two (2) hectares of bananas, fruit trees (lemon and avocado), extensive cocoa plantations and reforestation areas with guayacan, oak, maria and mountain almond. The property includes a corral with a shed, workers' house and a greenhouse. The property is suitable for agricultural production as well as agricultural tourism and ecotourism.
