\$925,000

Descripción de la propiedad

This 4,300-square-meter lot is ideal for the construction of warehouses, office-storage units, or a commercial space. It features approximately 57 meters of frontage and 75 meters of depth, offering multiple development possibilities. Strategically located on José A. Arango Street, it boasts an excellent location with easy access to the highway and Corredor Sur, facilitating logistics and transportation. Additionally, we offer the possibility of collaborating in the design and construction of the project, ensuring the highest level of quality at every stage. Contact us for more information and explore the opportunities this lot has to offer you
